# BOURNEMOUTH & POOLE

## AN OUTSTANDING PLACE TO STUDY

The neighbouring towns of Bournemouth and Poole are located on the South Coast of England and offer a blend of traditional seaside resorts with busy and thriving modern lifestyles. The local area is a very popular choice of destination for International students from all over the world. Bournemouth is famous for its 11 kilometres of sandy beaches. It has an exciting and vibrant nightlife, beautiful parks and gardens and a cosmopolitan atmosphere. There are restaurants and specialist shops offering many food options together with places of interest to visit locally. Both Bournemouth and Poole are great shopping centres with many of the popular retail brands e.g. Zara, Karen Millen, Nike, H&M etc.

Poole has Europe's largest natural harbour and is famous for water sports including kite-surfing, wind-surfing, sailing and jet-skiing. Along the coast from Poole are the World Heritage Jurassic Coast and the Weymouth and Portland National Sailing Academy, which was a venue for the 2012 Olympic Games.

From Poole you can take the ferry to France or the Channel Islands. If you want to visit some of the great European cities, you can fly from Bournemouth or Southampton airport to France, Spain, Italy, Ireland and many more destinations.

- 5 mins walk to the beach
- 15 mins walk to the town centre
- 40 mins to Southampton by train
- 2h 30 to London by train

# VISA INFORMATION

In order to study within the U.K, you will need a student visa, proof that you are able to provide for yourself financially during your stay and parental consent for your stay if you are under 18 years old.

It also strongly recommended that you arrange accommodation before your arrival. In addition to these things you may be required to provide proof of English level (an accredited language test like IELTS) and you must have a letter of acceptance, which the college can provide when you have been accepted by the College.

The Bournemouth and Poole College is an educational provider and a Student Sponsor for the Points Based System (PBS), therefore, is licensed to sponsor international students under the Student Routes.

You can check The College licence on the UK government's Register of licensed sponsors:

<https://www.gov.uk/government/publications/register-of-licensed-sponsors-students>

## Visa:

In order to study at BPC, students need to apply for a student visa. Depending on your course, your visa might be 6 months long or one year long. Some Student visas can be extended or switched depending on circumstances for a fee.

The Bournemouth and Poole College complies fully with the UKVI (UK Visa & Immigration) guidelines for UK Student Visas. We advise you to check the UK Visas and Immigration website for the latest regulations:

<https://www.gov.uk/student-visa>

You can also find advice from the UK Council for International Student Affairs here: [www.ukcisa.org.uk](http://www.ukcisa.org.uk)

From 2021 all new International students from the EU/ EEA and Switzerland studying for more than six months will be required to apply for a student route visa, unless they already have a form of immigration permission.

You can find guidance on this change here:

[https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment\\_data/file/931355/The\\_UK\\_s\\_points-based\\_immigration\\_system\\_Introduction\\_for\\_EU\\_students.pdf](https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/931355/The_UK_s_points-based_immigration_system_Introduction_for_EU_students.pdf)

## How to apply:

A Student visa is not generic permission to study in the UK as you wish. It is issued for a specific course of study at a specific institution.

**If you are applying outside the U.K, you will need to prove your identity. This is done differently depending on the country you reside in. Either you will need to supply a fingerprint and a photograph (biometric information) at a visa application center, which can be found online here: <https://www.gov.uk/find-a-visa-application-centre>**
